***Education***

Ph.D. 1985. Purdue University (Political Science/Public Administration)

M.A. 1975. Purdue University (Political Science)

B.A. 1973. Kanpur University, India (Liberal Arts)

***Administrative Appointments***

**Provost and Senior Vice President (July 2003 - present)**

Leadership responsibilities in this position include internal tasks (planning and budgeting to move the University toward its stated goals and working with the University Board of Trustees) as well as working with external constituencies (Florida Board of Governors, legislative staff, federal agencies, the community, and donors). The budget of the USF System is \$1.6 billion with the main campus counting for \$1 billion.

The University of South Florida is a comprehensive, doctoral-extensive, research university system with four campuses in Tampa, St. Petersburg, Sarasota-Manatee, and Lakeland. USF's 2006 profile consists of over 44,000 students, 2,400 faculty, and 11,000 staff with a budget of \$1.6 billion. It has a thriving medical school and a Division I Athletic Program competing in the Big East Conference. USF is ranked in the top research classification (very active high research) by the Carnegie Foundation for Advancement in Teaching. Last year, the faculty received \$310 million in contracts and grants and helped generate a \$3.2 billion of annual economic impact on the economy of the region. USF has a 220,000 sq. ft. of Research Park that currently is home to 20 start-up companies and several externally-funded interdisciplinary centers.

The University of South Florida has just completed its new strategic plan with the stated goals of becoming a top tier research university (AAU-eligible) that is highly engaged with its community and provides global edge to its students and region.

**Dean, College of Arts and Sciences (July, 2000 – June, 2003)**

At the time, the College of Arts and Sciences was the largest college at the

University of South Florida and houses 28 departments with over 500 full time faculty members educating over 15,000 students. The annual budget of the College was over \$65 million. The term from July, 2000 to June, 2002 was served as Interim Dean.

**Director/Chair, Environmental Science and Policy (ESP) Department (August 1997-June 2000)**

At the time, ESP was an interdisciplinary department with approximately 300 students and 50 affiliated faculty members, of whom nine were teaching faculty in the department. ESP's affiliated faculty members were drawn from natural sciences, social sciences, engineering, education and public health.

**Faculty Assistant to President (May 1995-August 1997)**

Responsibilities included serving as liaison to the State of Florida Board of Regents, coordination of President's staff and the University Leadership Council agenda, administration of special projects and liaison to the Faculty Senate and presidential advisory committees including the Athletics Committee, Title IX Committee, Committee on Black Affairs, Committee on Women, Latino Association, Asian Alliance and the Committee on Sexual Orientation. I also directed EXCEL, an administrative internship program for faculty and staff.

**Director of Graduate Program, Department of Government & International Affairs (1990-1993)**

Directed two graduate programs in Political Science and Public Administration with 150 students.

*Teaching and Research Appointments*

**Professor of Government & International Affairs, University of South Florida (1995-present)**

**Associate Professor of Government & International Affairs, University of South Florida (1991-1995)**

**Visiting Fellow in the Department of Public and Social Administration, City Polytechnic of Hong Kong (August 1989-June 1990)**

**Assistant Professor of Political Science at the University of South Florida (1987-1991)**

**Visiting Assistant Professor of Political Science at the University of South Florida (1985-1987)**
